THE BIRTHPLACE OF THE WORLD'S FIRST STROMBOLI

The Original Stromboli Sandwich was created in 1950 by Nazzereno 'Nat' Romano in Essington, PA. Nat was born in 1898 in the town of L'Aquila, Italy, the capital city of the Abruzzo region and came to America in 1922. A stone mason by trade, Nat started making pizza shells to support his family through the depression and in 1944, he moved to Essington where he opened his pizza shop and created the world's first Stromboli in 1950.
